

CONSIDERING THE ALTERNATIVES

Shouldn't you call Tremco?

ou'd have to go to pretty great lengths to come up with a roofing and weatherproofing solution as foolproof as one from Tremco. One that surrounds your hospital from top to bottom with systems and services designed to lock out moisture while locking in building assets.

We'll put a lid on your roofing and weatherproofing problems.

Customized solutions from Tremco are based upon a simple promise: we'll provide you with roofing and weatherproofing peace of mind. Which means we'll specify your system solution for maximum performance and reliability, show you how to reduce life cycle costs and get the most value for your investment. And with a

dedicated field and technical organization that's the most highly trained in the industry, you're sure to like our bedside manner.

For roofing and weatherproofing solutions you can live with through rain or shine, call us today at 1-800-562-2728.
